FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Chief, Allocations Branch  
Policy and Rules Division  
Mass Media Bureau

**SUPPLEMENT TO CERTIFICATE OF SERVICE IN A**  
**COUNTERPROPOSAL, COMMENTS**  
**AND REQUEST FOR ORDER TO SHOW CAUSE**

In the above captioned Docket, R. J. Miller ("Miller") has petitioned the Commission to allot channel 300A to Hayneville, Alabama, as that communities first local service. The Commission has issued a Notice of Proposed Rule Making (DA 93-1071) with the Comment Period ending November 15, 1993. Miller filed a counterproposal in these proceedings due to extreme FAA and EMI problems. The Certificate of Service listed New South Communications, Inc. (New South) and its legal counsel for service concerning the licensee of WMCZ(FM) Millbrook, Alabama. There seems to be some question as to where the sale has actually consummated

between New South and Clinton Enterprises, Inc. (Clinton). Therefore, Miller hereby notifies the Commission that he is also serving Clinton Enterprises, Inc., a copy of his Counterproposal.

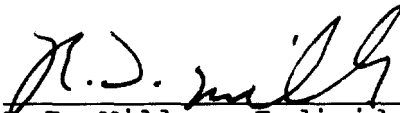

There were no other comments filed in the instant proceeding. Therefore, this Supplement has no adverse effect on any party to the Counterproposal. Both Clinton and New South will have an opportunity to file comments when the Miller Counterproposal is placed on Public Notice.

Exhibit A is a copy of the Certificate of Service filed with the original Counterproposal and Exhibit B is a copy of the amended Certificate of Service.
